- Avoid dropping litter - use bins or carry your rubbish with you.

- Support the preservation of cultural sites - resist the temptation to touch statues, move stones etc..
- Exchanges are preferable to donations - generations gifts can destabilize the local economic balance.
- When walking, be aware of fragile ecosystems, observe wildlife from a distance, stick to trails, limit trampling and do not steal from the nature - resist the temptation to pick flowers, collect fossils or stones...
- Some hotels have air conditioning - to avoid excessive energy consumption and greenhouse gas emissions, please use sparingly and remember to cut the aircon when you are not in the room.
